

American Belgian Tervuren Club Awards

Awards Chairman: Brooke Cole 1012 Lawton Road, Park Hills, Kentucky 41011-1930 belbrooke4@gmail.com

Congratulations on your recent success with your Tervuren. Please take the time to read this form in its entirety so that I may process your Awards request as quickly and accurately as possible. Please feel free to call or email me with any questions or concerns.

Eligibility: Must be a Regular (not associate) ABTC member during the year the award was earned AND the year the club presents the award; in effect a two-year membership.

Awards Year: **Awards are for achievements earned between January 1, 2016 and December 31, 2016.**

You may request your award at any time during the year it was earned. Plaques are produced once a year (normally in the Spring around the time of our National) and will be mailed at that time or presented at the Awards Banquet.

Foreign Titles: No awards given for achievements earned outside the member's country of residence.

Only AKC titles (CKC for Canadian members) are eligible for ABTC awards.

Verification information for awards is copies of the title certificates or a copy of the ribbon (for HIT, BIS or Group Placement). You need only send a copy of the latest title if the dog's name on the certificate reflects the additional titles.

Merit Pins are awarded to dogs earning AKC titles in these categories: Agility, Conformation, Group Placement, Herding, Obedience, Tracking, and Rally. (Optional titling classes do not qualify.) Please note that a **dog will be awarded only one pin per category regardless of how many titles it earns in each category.** Please note the Achievement pin will be awarded for a Grand Championship title OR a Coursing Ability Title, again ONE pin per dog.

Paperweight Achievement: Awarded to dogs earning an H-I-T or B-I-S. One paperweight per dog per lifetime.

Plaques: Awarded to dogs who have earned Obedience Trial Champion, Herding Trial Champion, Champion Tracker, Master Agility Champion or CH-UDT. Plaques are awarded to Versatile Tervuren who have earned titles in 4 of the following 5 categories: Conformation, Obedience, Herding, Agility or Tracking. (Preferred agility and Rally titles, nor optional titling classes will **NOT** count towards the Versatile Tervuren award.)

Please specify if you want the dog's name on the plaque to incorporate the AKC Versatile Dog Program.

Awards requests must conform to the above requirements in all respects. The awards chairman will not request missing information.

Requests must be received by the awards chairman by February 28, 2017.
