Only Excellent Scores Included (Standard & JWW - Combined)

Scale of Points: Score = points; plus if score of 100, add 1 extra point for each full second under SCT

1) SPD PTS = ABTC PTS - (# of Q's x 100). No factor for placing - will not match MACH pts.

2) Average speed pts for Std and JWW were figured separately, then those two averaged to reduce factor of qualifying in one class more than the other.
